Coment on Propos
Settlement

I'am for the Law suite. I have Tried o
own To Proctor + Gamble + Iams for reemb
of Vet Bills Etc.
It was an insult To the 50.00 check
Food expense + 76.90 for Bills.
Never did they (Proctor + Gamble) answer
Letters. My dog almost died. She was being
poisoned a Little AT A Time. I sent all
Documentation From the Vet. I Feel we
haven't been Treated Fair.
If I had the means, I would Attend the
hearings. The only reason Our Babe is Ali
we were Adding the Iams Tainted Pouche
onTo her Dry Food mixing Together.

Thank You very Muc
